IN THE HIGH COURT OF JUDICATURE AT BOMBAY

ORDINARY ORIGINAL CIVIL JURISDICTION

SUIT NO.3067 OF 1994

M/s.Jupiter Chemicals .. Plaintiffs.
Versus
Gujarat Inject Ltd. .. Defendants.

Mr.P.S.Sarvankar i/b.G.S.Bhat for plaintiffs.

CORAM : S.C.DHARMADHIKARI, J.
DATE : 6th AUGUST, 2007.

P.C.:

. Despite several opportunities being granted to the plaintiffs' Advocate to take instructions, Mr.Bhat, appearing for them states that no response is forthcoming to his communications. It appears that the plaintiffs are not carrying on business at the address mentioned in the cause title of the plaint. However, despite several opportunities being granted and the suit is pending in this Court for more than 13 years, no useful purpose will be served by further adjourning the matter.

. In the light of this, suit is dismissed for want of prosecution. All interim orders to stand vacated forthwith. No order as to costs.
